

By letter dated December 29, 2011, Local 150 notified the Board that it wished to withdraw its appeal of the dismissal of the charge because the parties had negotiated a agreement under which Local 150 agreed to withdraw the above-referenced charge and corresponding appeal to the Board. Based on our review of Local 150's letter and the entire record in this matter, the Board finds withdrawal is in the best interests of the parties and consistent with the purposes of the MMBA. Accordingly, the Board grants Local 150's request to withdraw the appeal.
