DECISION

HESSE, Chairperson: On March 26, 1987, Tony Petrich (charging party) moved to substitute the administrative law judge (ALJ) in the instant case, on the grounds of alleged misconduct. The PERB rejects the request as moot, as we have sustained the decision of the ALJ in Riverside Unified School District (1987) PERB Decision No. 632. In that decision, we found no evidence of misconduct by the ALJ.

ORDER

The Board hereby DENIES the request of charging party to substitute a new hearing officer in Case No. LA-CE-2399.
