Public Employment Relations Board (PERB)
ADVISORY COMMITTEE MEETING
June 28, 2012

LOCATION: Public Employment Relations Board *
1031 18th Street, First Floor, Room 103, Sacramento, CA

PURPOSE: This is an opportunity for the Board, its staff, its constituents and the public to openly discuss the topics outlined below, as well as other topics not listed, relating to PERB's mission in the administration of the seven collective bargaining statutes over which PERB has jurisdiction. Please note that this meeting is for informational purposes only, and the Board cannot take any formal action on any matter. Any matter which the Board feels may warrant action may be scheduled for Board consideration at a subsequent, publicly noticed Board meeting.

AGENDA:

10:00 a.m. – Noon

- (1) The transfer of the State Mediation and Conciliation from the Department of Industrial Relations to PERB.
 - Should there be a firewall between mediation and adjudication functions? How is this best accomplished?
 - Do you see any potential problems with SMCS' transfer from DIR to PERB? If so, how do you recommend we address those issues?
 - PERB may consider enlisting the assistance of mediators to assist in settlement conferences and/or elections. What are the advantages/disadvantages of this approach?
 - We are considering a common list for potential factfinders and arbitrators. Are there other areas that would streamline operations and/or must be kept separate?
 - Other ideas/concerns

1:00 p.m. – 3:00 p.m.

- (2) Discussion of possible revisions to PERB regulations unrelated to the implementation of the provisions of AB 646. Please see website for the staff **discussion draft**.
